

# Practice Fees

Our Doctors choose to provide a reduced fee structure when compared to the AMA Guide. Government funded Medicare Rebates do not cover the full cost of Medical Services.

## Australian Medical Association - AMA

The Australian Medical Association (AMA) publishes a list of Medical Services and Fees for distribution in Australia. The amounts have been calculated by the AMA after careful study and investigation of practice costs and other relevant and material circumstances as being, in its opinion, fair and reasonable and appropriate for the services provided.
